

School Performance Fact Sheet

Submitted to BPPE November 4, 2016

❖ Bachelor of Architecture

The State of California requires Adroit School of Architecture (the "School") to provide each student a School Performance Fact Sheet (SPFS) disclosing the following information with respect to the Bachelor of Architecture Degree which is 150 weeks in length.

This program is in its second academic year. Therefore, the number of students who graduated, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

❖ Master of Architecture I Path /A/- First Professional Degree

The State of California requires Adroit School of Architecture (the "School") to provide each student a School Performance Fact Sheet (SPFS) disclosing the following information with respect to the Master of Architecture I Path /A/ Degree which is 96 weeks in length.

This program is new. Therefore, the number of students who graduated, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

❖ Master of Architecture I Path /B/- First Professional Degree

The State of California requires Adroit School of Architecture (the "School") to provide each student a School Performance Fact Sheet (SPFS) disclosing the following information with respect to the Master of Architecture I Path /B/ Degree which is 64 weeks in length.

This program is new. Therefore, the number of students who graduated, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

❖ Master of Architecture II - Second Professional Degree

The State of California requires Adroit School of Architecture (the "School") to provide each student a School Performance Fact Sheet (SPFS) disclosing the following information with respect to the Master of Architecture II Degree which is 32 weeks in length.

This program is new. Therefore, the number of students who graduated, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

Cohort Default Rate (CDR)

CDR represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of that loan. The most recent three-year cohort default rate reported by the U.S. Department of Education for this institution is not available. This school does not participate in federal financial aid programs, and therefore does not include CDR or percentages of enrolled students receiving federal student loans.

Students are entitled to a list of the job classifications considered to be in the field of this educational program. A list of job titles can be obtained from the California Architect's Board, the American Institute of Architects, and National Council of Architecture Registration Boards.

Adroit can neither guarantee nor otherwise promise employment upon completion of a student's educational program or during enrollment. The School does not make any promise or representation of future employment to any student or graduate whether full or part-time. Furthermore, the School does not guarantee availability of employment positions related to the field of architecture or otherwise.

Student Initials: _____ Date: _____

Salary Information

Students are entitled to a list of objective sources of information used to substantiate the salary disclosure. A list of salaries in the field can be obtained from the California Architect's Board, the American Institute of Architects, and National Council of Architecture Registration Boards.

Student Initials: _____ Date: _____

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Dr. Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

Student Initials: _____ Date: _____

Definitions

1. Number of students who began the program who are scheduled to complete the program within the reporting calendar year minus the number of students unable to finish program due to death, injury, illness, personal reasons, incarceration, military duty, expiration of visa or residency, maternity leave, etc.
2. Number of students who completed the program within 100% of the program length.
3. 'Number of Graduates' divided by the 'Number of Students Scheduled for Graduation'.
4. Number of students who have achieved IDP hours solely through enrollment in Design Professionals Laboratory coursework
5. Number of students who have achieved IDP hours solely though off-campus work experience.
6. Number of students who have achieved IDP hours with a combination of DP Lab and off-campus work experience.
7. 'Number of students reporting results after graduation' divided by 'Number of students reporting PASS'
8. 'Number of students reporting licensure status after graduation' divided by 'Number of students reporting Licensed'
9. "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment after graduation due to death, injury, illness, personal reasons, incarceration, military duty, expiration of visa or residency, maternity leave, etc.
10. 'Graduates available for Employment' divided by 'Graduates Employed in the Field of Architecture within 6-months of Graduation'

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.
